Re: *United States v. Miguel Calderon*, 17 Cr. 611 (AT)

Dear Judge Torres:

I represent Miguel Calderon in the above-caption matter and submit this joint request on behalf of the defense and the government to adjourn the violation of supervised release (VOSR) hearing currently scheduled for February 6, 2024.

As this Court knows, the VOSR pending here arises out of the same conduct that is the subject of a separate criminal case in New York Supreme Court. Following an appearance in the state court case this month, it is my understanding that the matter remains ongoing, though may be resolved in a manner that would allow the parties here to address the VOSR without the need for an evidentiary hearing. Given, however, that the state court case will be, as of next week, still pending, I respectfully request that the VOSR hearing be adjourned to the week of March 11, 2024.

Respectfully,

/s/ Megan W. Benett
